Molly 319.269.8903

Thank you to our returning auctioneer John Walton from Dallas Oregon.

A special thank you to one of the best pedigree readers in the industry, Justin Rombeck, for making the long trip from Kansas. To contact Justin directly justinthelonghornman@gmail.com or 816.536.1083.

An equal special thank you goes to Molly Clubb and Jaymie Feldman for offering on-line viewing and Internet bidding via Hired Hand Live. Bidders must pre-register at www.HiredHandLive.com by clicking "Fey Ranch Sale". Absentee and auto bids are also accepted. For questions contact Molly Clubb at 319.269.8903

There is no doubt in our mind that this is by far the best set of Longhorn cattle we put together in our short history. Good cattle are backed up by great pedigrees and they are bred to or have calves at side by some of the top bulls in the industry. The evolution of Texas Longhorns over the last few years has been fast and furious. Our sale reflects that trend no different.
