

The FEY LONGHORNS CONSIGNMENT SALE invites you to the

2019 LONGHORN FUTURITY OF THE WEST

on Saturday, June 8.

Entry fees will be \$125.00 per entry. Money will be jackpotted to Class Winners and to placing cattle. Number of paybacks will be determined by class size.

Fey Longhorns Consignment Sale LLC will be responsible for penning, handling, watering and feeding, but is not liable for accidents to any people or animals during the entire duration of the event. Owners have the option to provide their own feed and care to their entries.

Standard interstate health papers will be required to unload cattle (except for Oregon cattle entered only in Futurity and not the Sale) along with entry information.

\$100 from each entry will be jackpotted for payback. Class Winners qualify for Championship. A five judge panel with high and low scores eliminated will decide winners. Judges' decision is final.

Class Winners can be entered in the Fey Longhorns Consignment Sale at the owner's discretion. No consignment fee will be charged, but the sale commission applies. Health papers are necessary to enter the sale!

We are looking forward to our second Futurity on the West Coast and another great Longhorn Weekend here in the beautiful Willamette Valley of Oregon!
